

HONGKONG SHARE MARKET

In their Weekly Share Report dated Hongkong, 23rd September, Messrs Benjamin, Kelly and Potts write:—
The share market has ruled very dull and the general level of prices is, if anything, somewhat lower than when we last wrote. Hongkong and Shanghai Bank

Marine Insurances.—Unions have been sold at \$250 and are steady at that price.

China Traders are quiet with the market steady at \$814. Yangtzes are required for a \$1500 without finding sellers. Straits are steady at \$271.

Fire Insurance—Hongkong Fires have been sold at \$342 and China Fires at \$90 and both are offered at quotations.

Shipping—A fairly large line of Hongkong, Canton, and Messrs Steamboat have changed hands at \$234. Indo Chineses are quiet at \$170 and the market is steady. The market is quiet at \$71 with no business to report.

Douglas shares have dropped still further and sales at \$45 have been effected although at this rate there are more buyers.

There is a fair amount of business in the medium of a very large business both for cash and time and have been placed at advancing rates up to \$133 and at equivalent rates.

Douglas shares have dropped still further

Refineries.—China Sugars have been the medium of a very large business both for export and import and have been placed at advancing rates up to \$133 and at equivalent rates forward; at the close the market is quiet at \$131. It is rumored that, owing to the increased demand for refined sugar, both the refineries are again working full time.

... out of favour till affairs in Manila
are more settled.

Mining.—Junior, owing to strong bear clamour, have been handled rather severely and "shorts" have been able to cover to a small extent at \$94 and \$100. The market is, however, again much fanciful owing to latest advices from the mine here, and the reaction is not a simple movement, which is rather a heavy one on this stock; a sharp reaction may be looked for. Rauba are in favour at \$84, but no shares appear to be available. New Balmoral is also being neglected owing to the same cause. The market for the shares of General Manager is neglected owing to the same cause. The market for the shares of the gold mine from Australia, which indicates the probable failure of the negotiations for the sale of the joint properties. Jeleba is offering at \$10.

Stocks.—*London and Godena*.—Hongkong and Shanghai, 202 and 203 per cent premium and at \$202 and 208 per cent premium for December. The market closes quiet at 202 per cent premium. *Kowloon* *Wharves* and *Wharfen* *Godena* have been taken at 202 and 203 per cent premium. The result that the rate has been advanced after sales at \$35, \$36, \$37 and \$37½.

ing to latest advices from the mine. Very satisfactory and, after the set-

ment, it is rather a loan, one on the stock, a sharp reaction may be looked for. Raubs are in favour at \$34, but no shares appear to be obtainable. New Balmoral and Glen Morgan are neglected owing to the Government Mining Commission's report from Australia, which indicates the probable failure of the negotiations for the sale of the joint properties. Jelebu is offering at \$3.10.

Gold and Silver.—Hongkong and Shanghai Bank's *London Gold and Whimpen Docks* have been quoted on the market at 202 and 203 per cent premium and at 507 and 208 per cent premium for December. The market closes quiet at 202 per cent premium. Keweenaw *Whimpen Docks* are quoted at 202 per cent result that the zinc has advanced and after sales at \$35, \$36, \$37 and \$37½.

Hongkong Times

The Tide table given below has been compiled by the Nautical Almanac Office in London from the results of the analysis of observations taken by means of an automatic tide recording machine in the Waterways Department of the Tsam Sha Tsui during the years 1887-93.

The zero of the table is Low Water Ordinary Spring Tides, which has been found to be 3 feet below mean sea level.

To obtain the depth of water on the spring tides at the gauge at Lamnau Dock add 5 ft. 6 in., and on the gauge at Lamnau Dock Aberdeen, add 12 ft. 9 in. to the height given in the table.

A TERRIBLE COUGH.
 "34, Commercial Road, Pockham, July 12.
 "Dear Sir,—I am a poor hand at expressing
 feelings, but I should like to thank you. Your
 lozenges have done wonders in relieving my
 terrible cough. Since I had the operation
 'tracheotomy' (the name of the late Emperor

Germany, and unlike him, thank God, I am a
 alive) performed at St. Bartholomew's Hospi-
 tal one could possibly have had a more viol-
 ous: it was so bad at times that it qu-
 exhausted me. The raucous, which was
 copious and hard, has been softened, and I h-
 less acrid of it without difficulty.—

"I have, indeed, great pleasure in adding testimony to your excellent preparation of *Col. Lorenzo*, and I have prescribed it now for last eight years in my hospitals and private practice, and found it of great benefit. I

the only remedy which gives me immediate relief. Therefore I certainly and most strongly recommend your Lozenges to the public who may be afflicted with Catarrh, Bronchitis, Winter Cough, or any kind of Pulmonary Irritation.—Yours truly,
